

## Letter of Reference

2-17-2026

To Whom It May Concern,

I am pleased to write this letter of reference for Shaylor Murray, with whom I had the privilege of working at Ability Digital Accessibility Co, where they served as my Sales Manager.

During the time we worked together, Shaylor consistently demonstrated exceptional leadership, integrity, and strategic thinking. They have a remarkable ability to motivate their team, drive results, and maintain a positive and productive work environment. Their communication skills, professionalism, and commitment to both client satisfaction and team success set them apart as a truly outstanding manager.

One of the qualities I appreciated most was their willingness to support and develop their team members. They took the time to mentor, provide constructive feedback, and ensure each person had the tools and confidence needed to succeed. Under their leadership, our team achieved consistent growth and exceeded expectations, which is a testament to their direction and vision.

I can confidently say that any organization would benefit from Shaylor's leadership, dedication, and expertise. I highly recommend them without reservation and am grateful for the opportunity to have worked under their guidance.
